Safety ALWAYS Comes First

Before the fun songs can be sung, and all the great art projects can be created, Safety in the classroom should ALWAYS be your number one priority. In this 2 hour class, we will look at the safety considerations that should be made prior to children entering your classroom, as well as day to day precautions.

10:30 – 12:30

Inclusion: Developmentally Appropriate Practice for all Children

This class will provide an overview of Inclusion in the Early Childhood Classroom. Participants will define specifically what are “special needs” and will explore the laws that protect individuals with special needs. Resources for teachers as well as parents will be identified.

1:00 – 3:00

Beyond Duct Tape and Clean Water: Emergency Preparedness

In this 2 hour emergency preparedness class, we will review past Georgia hazards, discuss planning considerations, and brainstorm systems and procedures to purposefully planning for emergencies.

What’s Going On In My Classroom? The Art of Observation and Assessment

This session supports a teachers understanding of the need for assessment and observation in the early care and education classroom. Assessment and documentation tools will be explored, and time will be provided to “practice” your observation skills!

10:30 – 12:30

Art Smart

Art experiences are learning opportunities! This workshop will support the early childhood’s teacher understanding of the value of art experiences for young children. New ideas for infants, toddlers and preschoolers will be explored.

1:00 – 3:00

TeamWork!

What position do YOU play on the Team? Many personalities and dynamics make up the environment at your workplace. In this class, we will use reflective practice to examine what part you currently play in the school’s dynamics and examine what changes could be made to develop a stronger, more effective team.
